

“MY Access! is a tremendous tool in teaching the writing process and promotes greater student engagement, with students writing more.”

– Dr. Jeanne Qvarnstrom

Assistant Vice President for Institutional Effectiveness
Sul Ross State University

MY Access!® is based on a simple premise: provide students with more frequent opportunities to write, provide them with immediate scoring and feedback, and encourage improvement through a continuous, iterative process of writing and revision. With MY Access!®, students take ownership of their writing and are self-motivated to raise their scores.

MY Access!® has produced millions of proficient writers with Vantage’s patented assessment and instructional technologies. Users achieve an average score improvement of 18% in as few as 3-5 revisions.

MY Access! Highlights

- Powered by **IntelliMetric®**, the industry’s leading automated essay scoring (AES) technology
- Delivers immediate feedback via patented **MyTutor™**
- Includes more than two thousand cross-curricular writing prompts
- Allows instructors to implement their curricular writing prompts or create their own
- Aligned with State standards and writing assessment rubrics
- Supports students in preparing for high stakes assessments
- Delivers detailed analytics via **WriteVue™** to align instruction for each student

Student Writing Resources

Students are guided at all steps of the writing process from pre-writing to revision plans. Students can leverage these built-in tools:

- **Graphic organizers**
- **Exemplars for each writing task**
- **Genre-specific rubrics**

Immediate Scores and Instructional Feedback

Students receive immediate, automated scoring via IntelliMetric® – the gold standard in automated essay scoring. For each submission, students receive a holistic score and scores across five domains of writing:

- **Focus and Meaning**
- **Content and Development**
- **Organization**
- **Language Use, Voice, and Style**
- **Mechanics and Conventions**

MyTutor™ provides instructional feedback across these five domains. **Cite.ai®** is an integrated plagiarism detection service that also provides students assistance in citing work properly.

Robust Analytics

Instructors and administrators can use an extensive suite of MY Access!® reporting tools to make data-driven decisions for differentiated instruction. Reports include:

- **Summary of Performance**
- **Early Intervention**
- **Error Analysis**

WriteVue® provides an institutional overview of writing performance data at scale.
